Glendale's Barrel District

August 28, 2015

Greetings!

You're Invited!

At my previous district-wide meeting it was requested I provide residents an opportunity to discuss neighborhood code compliance issues with city staff. In response to that request I will be hosting an informational code enforcement meeting on **Wednesday, September 16** from **6:30 p.m. to 8:00 p.m.** at the **Glendale Main Library Auditorium, 5959 West Brown Street**. My guests will include Sam McAllen, Community Development Director, and his staff from the Code Enforcement and Building Safety Divisions.

Presentations from city staff will include examples of neighborhood code violations related to property maintenance, abandoned vehicles, garage sales, etc., and how to get these violations resolved. Staff will also discuss when and how to get building permits for a variety of home improvement projects which residents may be considering. Glendale representatives will be available to privately and confidentially answer questions from residents who may wish to report code violations in their neighborhoods.

I hope to see you there!
